

Tony Marcelle—Business Manager's Report

Currently Local 330 has 1851 members. Of that, we have 44 Apprentices and 70 Fifty year "Gold card" members. This was a good year for work except Heavy & Highway is down some. The other challenge our contractors are going to see going forward is the total repeal of Prevailing Wage work. This repeal does not level the bidding of work for our contractors. Here again, Politicians in Madison are attacking wages and telling us its for the best of Wisconsin. Then they do nothing to come up with additional funds for DOT work. It is well known that infrastructure work has major influence on the economy spurring economic development.

The next outage for Point Beach is Fall of 2018. There is a new hospital to be built in Sheboygan in 2018. The general contractor is Mortenson. Time to start thinking about scheduling your training. It could make the difference between working and not working. We have trainers in our office. Classes do fill up fast! And get your order form in for your fleece or sweatshirt Now!!

Thanks for reading. Tony Marcelle Member since 1987

President

Paul Daugherty

I would like to take this opportunity to give a brief description of my career as a laborer thus far. In the summer of 1988 I was fortunate to join Local 1086 while working for CD Smith. I continued to work Building Trades until July 18, 2011 when I became a representative of Local 330. I currently cover the same counties that 1086 was responsible for prior to the merger in 2004. They include:

Calumet, Dodge, Fond du Lac, Green Lake, Manitowoc, Marquette, Sheboygan, Waushara, and part of Winnebago.

Secretary/Treasurer

Kelly Buss

Hi, I would like to tell you a few things about myself. I became a member of Local #931 in 1992. I have worked under the Building, Heavy & Highway, and Pipeline agreements. In 2009 I was elected as President of Local 330 and also appointed Business Agent. In 2015, I was elected Secretary -Treasurer / Business Agent. The counties that I cover in the Local are:

Oufagamie, Menominee, Portage, Shawano, Waupaca, and part of Winnebago.

Recording Secretary

Gerry Schomaker

Hello, In 1989 I became a member of #539, the Local in Green Bay at the time. Most of my work experience has been Heavy & Highway. I have a background in the Nuclear facilities in our area as well as Building Trades during the winter months. I was brought on as a Business Agent in 2015 and elected Recording Secretary in the same year. The Northern portion of our 20 counties encompass my area. They are :

Brown, Kewaunee, Door, Oconto, Marinette, and Forest.
